

Portage Lake Town-Wide Yard Sale Registration

In lieu of the usual Whoopie Pie Festival and in order to follow COVID-19 guidelines of having gatherings of 50 people or less, the Portage Lake Summer Round Up Committee will be hosting a Community-Wide Yard Sale on Saturday August 15 from 8 am to 2 pm. If you would like to hold a yard sale at your own home and be a part of this event, a registration fee of \$15 is required. This will get your name and location on a Town Map of other sales in the area and a special marker at your driveway to let customers know you are participating. ***YOU MUST SELL WHOOPIE PIES!*** We want to continue the tradition of having celebrating Maine's State Treat, so by registering you agree to sell whoopie pies at your yard sale. A bonus—if you have a certain flavor you would like to sell let us know and we will be sure to include that on the map! Some people look for certain flavors or varieties each year, and they may end up at your place if they know you've got what they want! 😊

Registration fee is \$15 for one location. Participants are **required** to sell Whoopie Pies of any kind, but you will not be required to sell samples. There will NOT be a Whoopie Pie contest this year as in years past. All vendors not selling for a non-profit organization **MUST** have a vendor license supplied by the State of Maine.

To participate in this event, return the completed form below along with your cash or check made out to Town of Portage Lake no later than August 14, 2020. You can bring completed entry forms to the Portage Lake Town Office or mail them to Town of Portage Lake, PO Box 255, Portage Lake, ME 04768.

Contact Corrine Routhier with any questions before the event, at work at 207-435-4361 or townofportage.treasurer@gmail.com or personal cell 227-0819 or cmrouthier75@gmail.com.
