

Public Hearing
Portage Hills Country Club Special Amusement Permit
Portage Lake Municipal Building
Tuesday May 21, 2019

Public hearing called to order at 5:46 p.m. by David Pierce, Selectboard Chairman.

There were 11 residents and 3 non-residents in attendance.

The purpose of this public hearing is to hear public comments from residents/property owners in the Town of Portage Lake for Portage Hills Country Club for its renewal of a special amusement permit to be able to have live performances at its establishment at 98 Country Club Ave.

Public Discussion:

Question: Is this the same permit as last year? **Answer** is yes.

Question: Was there a question as to it being different than last year? Had there been discussion on it? **Answer** is no, but there are options to end the time either at midnight or at 1 pm.

Statement: The application stated an end time of 1 am, it is preferred that the actual permit not deviate from that request.

Discussion continues about what last year's permit stated. The Town's noise ordinance is brought up and discussed. An explanation is offered that PHCC has done some improvements to avoid excessive noise and will continue to do what it can to improve the situation.

Question: If someone complains about the noise and comes to the Town Office to make a complaint, will the permit be revoked? **Answer:** The exact process isn't known, but a warning would likely be issued first.

Discussion turns back to the Town's noise ordinance.

Public Hearing adjourned at 5:55 pm.

Respectfully Submitted,

Corrine Routhier
