---

Public hearing called to order at 6 p.m. by David Pierce, Selectboard Chairman.

There were 12 residents and 7 non-residents in attendance.

The purpose of this public hearing is to hear public discussion about a possible 99-year lease of joint owned land on the Mill Road to the Portage Lake Snowmobile Club for a new clubhouse and groomer garage.

Maps of the proposed site and building plans are provided to those in attendance.

Public Discussion:

Statement: It's a great opportunity for the Snowmobile Club.

Statement: The amount of land to lease is 4.78 acres. The are will have to be cleared, with a buffer around the perimeter. The land being discussed is joint owned by the Town and Irving.

Question: Would there be room for expansion if it's needed? Answer: Possibly; the exact size of the lot can be discussed with Irving and an increase can be asked for.

Discussion turns to a racing track for snowmobiles on the land.

Question: If a 6-acre lease was proposed to Irving and was agreed to, would another Public Hearing be called for? Answer: Yes.

Public Hearing adjourned at 6:10 pm.

Respectfully Submitted,

  
Corrine Routhier
